

3 Suggested Ways to Book Using Your Group Code

- :
1. Online: <http://hamptoninn3.hilton.com/en/hotels/pennsylvania/hampton-inn-state-college-SCECLHX/index.html>
 - a. Be sure you're at the "Hampton Inn State College" site with address 1101 East College Ave.
 - b. Enter dates of the blocked rooms, and other stay info then select the "Check Rooms & Rates button"—regular rates will appear.
 - c. Select "have a special code" in the lower left area of the screen.
 - d. Enter your code into the group box then select update results. You will see the group name—and the agreed rates.
 - e. Continue with completing the reservation. If the dates selected do not match the block allowance date span then you may need to call the hotel direct to see if we can or cannot override with a live agent.
 2. Call Hilton Reservations from the US or Canada at 1-800-445-8667 and mention the correct hotel, dates and group block name and your 3-letter code.
 3. Call hotel direct at 1-814-231-1590 and mention the correct hotel, dates and group block name and your 3-letter code.

It is suggested that any critical special requests such as ADA rooms, connecting rooms be called in directly. We do not have roll-a-way beds or suites. Guests can use their Hilton Honors account number to earn points.

Hope this helps!
